M.Sc. students (Mechanical or Aerospace Engineering) for Mentoring International

Online seit 13.07.2021 | 210713-478569 | Studentische Hilfskräfte

Beschreibung

As part of the EU-funded pilot project "**MasterPlus**", orientation and support measures for international master's students are to be developed and tested (more information at www.tu-darmstadt.de/masterplus). From the moment of admission, student e-buddies provide international master's students with information about the study location and the respective department as well as orientation and support in organizing their studies at an early stage.

For the MasterPlus programme, we are looking for committed Master's students from the Department of **Mechanical Engineering** who are interested in helping international students get a good start in the **M.Sc. Aerospace Engineering**.

The monthly workload is approximately **20 hrs / month**.

The job includes:

- Virtual mentoring of international master students (via email, individually or in groups via Zoom).
- Orientation to the campus, the city of Darmstadt and the region
- Information on organizational preparation for studies
- Individual virtual advising on study related questions
- Supervision of projects with international students

- Preparation and implementation of activities within the framework of MasterPlus OUTREACH
- Participation in workshops, trainings, briefings
- Preparation of reports and short protocols

Anforderungsprofil

We are looking for students with the following profile:

- Registered Master's students in the Department of **Mechanical Engineering or Aerospace Engineering at the TU Darmstadt from 1st semester onwards if they have completed their Bachelor's degree at TU Darmstadt, otherwise from 2nd semester onwards.**
- Excellent English skills (C2) in written and spoken language / mother tongue level
- Knowledge of German (B1-B2) desirable
- Expertise in MS Office (Word, Excel, Powerpoint) and Zoom
- Own experience abroad, intercultural sensitivity are desirable
- Independent, structured and precise manner of work
- Open, communicative personality, interest in other cultures
- Flexibility
